NST 170 Experimental Nutrition Laboratory

Summer 2016
NST 10 Introduction to Human Nutrition*
NST 104 Human Food Practices*

*Most likely to have more open positions available for students from other departments

General Information

NST GSI Appointments are typically Step 1 appointments at 50% time and include Partial Fee Remission. For more information, see Fee Remissions.

2015 - 2016 Application Process

Interested GSI candidates who meet the eligibility requirements may submit an application to the Graduate Student Affairs Officer, Faith Enemark, at faith@berkeley.edu. Please email the following items as a single PDF attachment:

- Cover letter that includes information on the course(s) in which you are interested and your previous teaching experience
- CV/Resume

For first round consideration, please submit your materials according to the deadlines below.

Fall 2015 Application Deadline: April 15, 2015
Spring 2016 Application Deadline: October 15, 2015
Summer 2016 Application Deadline: February 15, 2015

Please note:

The number of positions, instructors, percentages, and overall appointments are subject to change. Appointments are not finalized until candidates receive a Letter of Appointment. Priority for Academic Student Employee (ASE) appointments is given to eligible NST students first and then to other eligible UC Berkeley students.
